7 March 2022

Dear Parents/ Guardians

Please take note of the following important information.

BELVUE LEARNERS FLEXING THEIR MUSCLE ON THE ATHLETICS TRACK

It is with great pride and elation that I can share the good news that the following four (4) learners made the Western Province Primary School's Athletics Team who will participate in the National Championships on 12 March 2022 in Paarl:

LEARNER	GRADE	EVENT	AGE GROUP
JAMIE-LEE GERTSE	3	100 M	10
JUDELL VAN SCHALKWYK	4	1 200 M	10
CLAIRE LEMENS	7	RACEWALK (1 500 M)	13
BRADWIN HENEKE	7	HIGH JUMP	13

Congratulations to these learners and their families on their achievements. Be assured of the support of the Belvue Family. May these athletes rise above all expectations. My heartfelt thanks goes to the coaching team under the leadership of Mr. Koopman and Ms. Willemse and the assistant educators who worked so diligently to prepare these athletes for competitions.

FAMILY FUN DAY

Our **Family Fun Day** was both a social as well as a financial success. Thank you again to you the parents who donated monies or items to this course. Your donations will definitely make a change to the lives of our learners as all profits made are used to enhance education at the school. A heartfelt thanks also to the educators, SGB members and parents who worked so hard on the day.

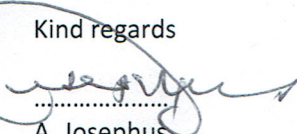

Due to the higher than expected turnout on the day some stalls ran out of food, with the result that some parents still have booklets/ coupons. This is very unfortunate and as principal I take full responsibility for it. I urge all parents to send these unused booklets/ coupons back to school with their children. The class educator will then collect and capture it. On the advice given by a parent we will have Chicken and Salad platters **AND** Boerewors Rolls on Friday, 11 March 2022. More information will follow and orders must be placed by Wednesday, 9 March 2022. Giving back the money is another option, but the school really needs the cash as we did not have fundraisers for two (2) years. I hope parents understand.

LEARNER ASSESSMENT, MARCH 2022

We will not be writing formal March examinations. Instead Formal Assessment tasks for all subjects covered during term 1, will count towards a learner's term 1 assessment. I would like to appeal to parents to see to it that the learners hand in their assignments and projects as all this count towards their March assessment marks. Compulsory Parent-Teacher intervention meetings for selected learners will be held in the beginning of term 2. These learners will receive notification by 7 April 2022.

Thank you for your continuous support.

Kind regards

A. Josephus
(Principal)
